Model Orator-A Male Free-Lover on the

At the Utica, (N. Y.,) Free-lovers' Convention last week, among the other gabblers and spouters was a Mr. Bloom, and a perfect theometry was he! He was almost equal to Mr. Branch herself in the extent of his peculiar intelligence, and the style of his oratory. A report of his speech is thus given:

At the Utica, (N. Y.,) Free-lovers' Convention of the last of the last publication of the

Fowlers'. As I had means, my table was covered with books and pamphlets. But I found something wanting. I went into Wall street [Great laughter.] I went in with a broker there; but I began to see the tricks of the trade, and left in disgust. Then I became impressed with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with the idea that I must reform the research with t trade, and left in disgust. Then I became impressed with the idea that I must reform the world. [Cheers. I delivered two lectures on Missian I delivered two lectures on Missi pressed with the idea that I must reform the world. [Cheers. I delivered two lectures on physical ignorance and fashionable dress, and above all, fashionable religion. Next 1 engaged to go to Europe on a philanthropic expedition. Laughter. I was disappointed—I supposed a minister must be good. I was told the property of the control of I was left in London without a cent in my pocket. Mr. Webb relieved me until I got a remittance from home. While there I looked into the unfortunate condition of woman. I amserious on the subject you laugh at. Upon a merious on the subject you laugh at. Upon which is the latest and the late Renewed laughter and appliance. Upon my return to this country I read the Bible six months [cheers], and went through all the various returns. I corresponded with the New Vork Tribune. York Tribune."

borg, and wept over hell; had attended Sunday school, and duft like what he leasted there; went into Wall-street, saw its tricks, and left disgusted; then turned reformer; then went to London, and examined the condition of eight teen thousand prostitutes, [amazing! then became interested in women, [funny'] then went to reading the Bible, and finally wound up by the crowning folly of his life—a correspondent of the New York Tribune.

PIANOS AND MELOBEONE.

Lola Montez is a thoroughly cultivated and remarkably gitted woman, whatever her private of writing the lectures she delivers, is alike absurd and mean. Give us the proof writer of this paragraph will make oath that uce upon a time he saw the dashing Count -no copy before her, set up a sharp and racy comhappened in Cincinnati. Lola Montez not write?
